Idea Behind Plastfocus

- VIRTUAL PLASTFOCUS 2021 - India's flagship event in the field of plastics, raw materials, processing machinery and finished goods
- One of the largest congregations of the plastics world on an intuitive, flexible and dynamic online platform
- Immersive Virtual Marketplace empowering barrier-free global opportunities
- Witness the best plastics manufacturing technologies and practices from around the globe on one single virtual platform
- Facilitated with essential features to complement a physical exhibition

Plastfocus Ethos

- Easy global reach and access
- Green and Sustainable approach to networking
- Minimal wastage and pollution
- Optimal use of internet-based resources / online resources
- Most Economic way of connecting
- Meet masses Safely

Plastics Machinery Manufacturers
Association of India

Powered By

Plastics Machinery Manufacturers Association of India

Plastics Machinery Manufacturers Association of India (PMMAI) is an industry-body representing all plastics machinery manufacturing organizations in India with the objective of promoting advancement of this industry-sector in India.

PMMAI has more than 300 members across country covering more than 80% of industry.

PMMAI envisions to be a global player providing world class products at competitive prices, contributing to the success of the plastics processing industry and be their preferred supplier of machinery.

70-73 UGF, World Trade Centre,
Babar Road, New Delhi - 110 001, India.
